**AMENDED APPLICATION FOR PUBLIC HEARING**

Dear Sir:

KCS Resources, Inc. filed an Application for Public Hearing dated March 26, 2007, pertaining to the Hosston Formation, Reservoir A, and the Cotton Valley Formation, Reservoir A, in the Caspiana Field, Caddo and DeSoto Parishes, Louisiana. The application addresses additional alternate unit for units designated (a) HOSS RA SU63 and CV RA SU63 in Section 32-T15N-R12W, Caddo and DeSoto Parishes, Louisiana, and (b) HOSS RA SUV and CV RA SUV in Section 36-15N-R13W, Desoto Parish, Louisiana. It has come to the attention of the Applicant that the proposed location spotted on plat attached to the Application with respect to units designated HOSS RA SUV and CV RA SUV is incorrect and must be corrected.

KCS Resources, Inc. hereby amends its March 26, 2007, Application for Public Hearing with respect to the Hosston Formation, Reservoir A, and Lower Cotton Valley Formation, Reservoir A, only insofar as to the units designated HOSS RA SUV and CV RA SUV are concerned, by deleting therefrom the plat attached thereto depicting said units and substituting for same the plat attached hereto which correctly spots the proposed alternate unit wells.
